3. ESSEX FELLS REASSESSMENT APPLICATION

Kevin Esposito, Assessor for Essex Fells, was present for the Zoom meeting and Administrator Durkin explained that the application for the Essex Fells Reassessment had to be approved for the State deadline for filing the application by August 1st. It was stated that the Municipal Council of Essex Fells must approve the filing of the application, as of today's date the Council has not yet voted. Due to COVID-19, it is not likely that in person inspections of the properties will be made. Assessor Esposito stated that PPA did the Essex Fells Revaluation and he was confident that the property record cards were accurate. The question of Zoom inspections will be for the Division of Taxation. Assessor Esposito does not see a problem with Zoom inspections for his taxpayers or PPA if approved by the State.

Administrator Durkin also discussed other matters referring to the schedule for Tax Appeal hearings. There are approximately 2,500 cases remaining to be scheduled as of today's date. All Municipal Assessors and their respective attorneys responded to the question of in person hearings or Zoom hearings. Newark Assessor Wilson and Assessor Librizzi expressed their desire to have hearings at the Tax Board Offices while Maplewood and Millburn prefer Zoom hearings.

Administrator Durkin, Kenya and George Librizzi are working on instructions to taxpayers for appeal hearings. Tax Appeal hearings will take place in August and September with no adjournments and there is a possibility the hearings will be

extended into October. The Assessors in all Municipalities are working to settle as many cases as possible with evidence to support the results.

As of today's date, nine Municipalities are in receipt of their respective tax rates.

The Town of Bloomfield has not yet appointed a Tax Assessor, if no one is appointed by October 1, 2020, the Governor will appoint the Tax Assessor.
